**ISSUE:**

Ratify the Joint Jurisdictional Mutual Aid Memorandum of Understanding (MOU) for Police Services for Explosive Devices and approve Amendment No. 1 to the MOU between West Valley City and Salt Lake City.

**SYNOPSIS:**

The parties desire to amend the original MOU dated September 14, 1999 in order to modify the duration of the MOU and include sections regarding technical training and explosive storage.

**BACKGROUND:**

The MOU is a collaborative effort between the City and Salt Lake City in order to assist in the identification, investigation and the rendering safe of suspected explosive devices found within the two jurisdictions. Each of the parties agree to make available to each other specialized equipment, manpower (Bomb Technicians), and resources needed for these situations as provided in the MOU. Amendment No. 1 modifies the duration of the MOU to allow for it to remain in effect until either party withdraws its participation. It also includes sections regarding technical training and explosive storage.

**RECOMMENDATION:**

Ratify the MOU dated September 14, 1999 and approve Amendment No. 1 to the MOU.
